A black and white photograph of a pond. In the foreground, there are several lily pads and two white lily flowers. The middle ground is dominated by a large set of concentric ripples on the water's surface, suggesting a stone has been thrown. The background is dark and indistinct, possibly showing trees or a building.

The pebble is cast and the placid surface of the pond is shattered. We follow the ripples that are continually traveling outward, searching and seeking new things. With time, these ripples grow and expand, eventually becoming waves as we move swiftly on, maturing and becoming more knowledgeable with each passing year. Now we are in the stream and rivers, coming closer and closer to the time when we must make . . .

that final decision that will shape our lives forever.

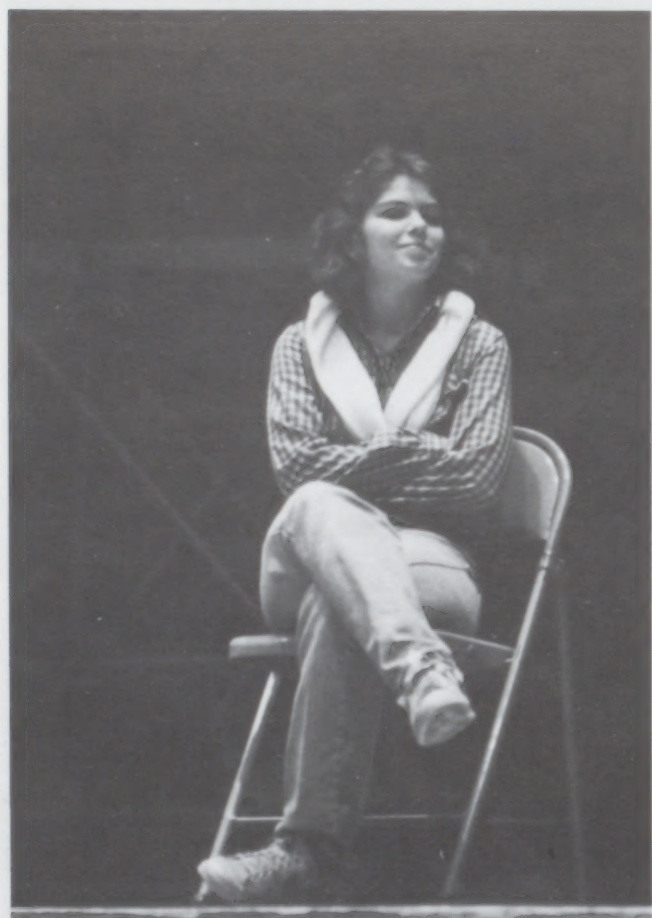

Soon we will be leaving the security we once felt;

doors will shut behind us and we will again  
be thrown into unfamiliar waters.

We will find that we have  
again reached a new beginning,

but this time we will  
have more experience —

to help us take that initial  
step into the future.

# DEDICATION

To Mrs. Beatrice Heywood, a guide in the production of the *Sagitta* for seven years. With deep appreciation we look back on her hard work and enthusiasm as advisor to the yearbook staff. It is with great admiration that we dedicate the 1982 *Sagitta* to Mrs. Heywood.

## APPRECIATION

We wish to express our deep appreciation to our class advisors, Mrs. Arlene Egolf and Mr. Lawrence Katulka. Their efforts on our behalf have enabled the class of 1982 to graduate with a feeling of success. We thank them for the confidence that they have instilled within us.

"A chicken told me the sky was falling!"

"And to think I could have been a plumber."

"2 ball in the corner pocket."

"Pilot to Co-Pilot."

"Dr. Connelly told you *what* last year?!"

"The original Latin lover."

"Are you sure you're speaking Spanish?"

"Ah, mon Dieu!"

"Barbara O. — Portrait of a High School Spanish Teacher."

"Yes, this is the course everyone's talking about."

"You want to make an android?"

"Who designed that?"

"Are you sure it came out of here?"

"I can't get my \*!?! thumb out of here!"

"I wish I could get this thing out of my mouth."

"Move over, Mr. Rogers, here I come."

"I wonder if they know that I can't play the piano!"

"You want another picture for my fan club?"

"It's like this . . ."

"I shouldn't have eaten the school lunch!"

"BEV" HALL

# CLASS PROPHECY

Aboard the S.S. Sagitta in the year 2007, the Inaugural Ball of Senator RICHARD McCARTY, from upstate New York, is being held. Senator McCarty's victory is a result of the publicity of advertising executive SHARON SPULICK. Among the guests present are world-renowned architect LARRY SAMPLATSKY and bilingual chemist JANET JOLIE, who has been awarded the Nobel Prize for three consecutive years. Covering the festivities for national television is anchor-person JENNIFER BERTE.

The banquet hall is artfully decorated with flowers provided by florist DEBBIE BROWN. As bartender TRACY FLEMING stocks the bar for the evening's banquet, flautist CALLIE GLASS, whose latest album has just gone platinum, enters the room. She is mobbed by the guests aboard the ship, among whom is journalist DAVID WOODRUFF. David asks Callie various questions about her career, until he is interrupted by the blaring guitars of rock band members TONY LAROSA and RIC BROWN. As additional guests arrive, they are greeted at the door by models SOPHIA THOMAS, CARRIE LEFEBVRE, MARY PEICHERT and SUE OSOWIECKI, who are wearing fashion designer SUE COATTI's latest creations.

The guests are seated and dinner is served. Chef TOM PECK has prepared an elegant banquet. The crowd's attention has turned to three vacant seats at the head of one table. An aura of expectation takes over the crowd as the low hum of a helicopter is heard above board. After helicopter pilot JOE SANGIOVANNI lands, three persons board the ship. In the banquet hall, all heads turn as business tycoon LORI ARMATA and her two attorneys enter the room. Ms. Armata was recently acquitted in a case involving alleged illegal contributions to the Richard McCarty campaign. Her release is a result of a brilliant defense carried out by lawyers JOHN GALLANT and ELIZA LEVENTIS. Ms. Armata circulates through the hall, thanking the guests who handed down a favorable decision in her trial. She talks to the members of the jury of her peers, business administrators DANNY SULLIVAN, DEBBIE MURZYN, MELISA MARKOWSKI, KAREN MATHER, JOHN BERTOLINI, JULIE THOMPSON, JACKIE STAFFORD, PAUL SKORSKI and TAMMY MAREK. Journalists DAWN

CUMMDOCK and SUE GRAFF shared a Pulitzer Prize for their investigative reporting on the scandal.

The ship's doctor DUANE LAGLE joins his medical colleagues BOB BRACKETT, LEIGH DUDEK and MICHELE PENDER to talk over all the interesting case histories. Psychologists KASSI ALLEN, TAMMY WATERMAN, NANCY MANN, and JEFF SWEENEY try desperately to solve the social conflicts between Washington and the American people. Recreational coordinators CHRIS KRUEGER and TRACEY PENDERSEN eagerly plan the following day's activities, as a group of world famous accountants, RAYMY SHHIMTOK, ANDREW HRYNIEWICZ, CHERYL LUMBRUNO, LESLIE MARKOWSKI, DAVE SIMMONS, and TINA VIETS sit in a backroom figuring the expenses for this festive occasion.

In the ship's exhibition hall, LISA VISCOMI and NANCY SHAUGHNESSY hang their latest works, while SCOTT MANDIROLA talks about his many trips to CHRIS MATTRICK's country inn.

Late as usual, TRACY KOPE, a veterinarian, is accompanied by fellow workers SUSAN HAMANN and MARY CYR. The three wander over to the bar where social workers PAULA CHRISTIAN, DEBBIE RENNA and KAREN STOLYNAS are talking about CHRIS DALEY's latest hair fashions.

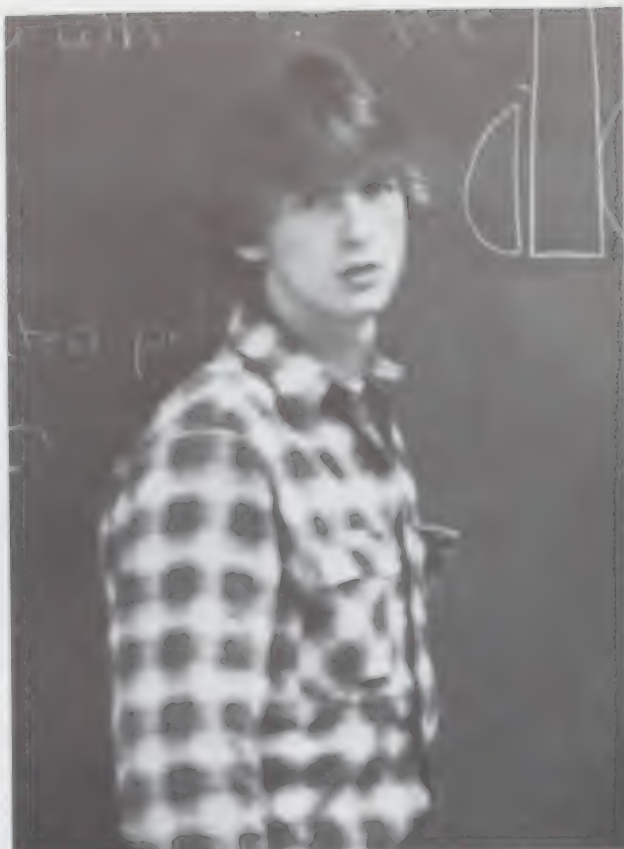

Engineers CHERYL CAISSE, MIKE DELEEUW, TAMMY KURAS, SUE MARKOWSKI, and ROB COLSON collaborate with machinists BOB DAVIS and JIM ALLEN to design a new space shuttle, which astronaut LISA STOLZENBERG will navigate. She will be accompanied by world travelers BETH ELKINS and KELLY MURPHY. Computational mathematician PAM NORCROSS also agrees to help.

As Cosmo's coach DAVE MERRILL is walking along an upper deck, he loses his footing and trips down a flight of stairs. He is aided by nurses MARY HOUCK, PATTY TSAKIRIS, WENDY SZCZEPANIK and LYNN WADENKLEE.

When the Class of '82 is leaving the ship after a relaxing cruise, we look forward to our next reunion to see what another thirteen years will bring.

## Freshman

When the class of '82 entered Suffield High School as a group of wide-eyed freshmen, we began to accept some of the responsibilities that high school demands. The arrival of our BLUE jackets in the fall of our freshman year gave us the opportunity to display the pride of the class of '82. Even though we scored third at the pep rally, we did manage to come in ahead of the graduating class of '79. The class of '82 also helped to send the varsity hockey and SOCCER teams on their way to state championships.

## Junior

As juniors the class of '82 became more of our upper-class status. Our candy sale was used to raise money for our class. The fall of 1980 found us cheering the girls' soccer team to the NCCC championship. In the spring we celebrated our golf team's NCCC championship as well. Then May came and we rented tuxes, bought gowns, and drove to the Marriott Ballroom for our Junior Prom. The time slipped away as we danced to the melody of REO Speedwagon's "KEEP ON LOVING YOU."

# HISTORY

## Sophomore

After a SUMMER OF eating PIZZA and listening to the BEATLES and BILLY JOEL, our sophomore year arrived and provided us with another chance to compete in the pep rally. This year our class spirit surpassed that of any other class, putting us in first place. Again our spirit helped the boys' varsity basketball team to win the NCCC championship. We left our sophomore year wearing our rings and knowing that we would never be called underclassmen again.

## Senior

Reluctant seniors were set to music in the words of "BEST OF TIMES." We hurried through our magazine sale, sharpening our selling skills to raise money for graduation. Our boys' varsity soccer team then proved Suffield High's superiority by taking an undefeated route to the class M championship. As we danced to "You Look Wonderful Tonight" at our Senior Sno-Ball in January, we realized how little time was left in our senior year. As the spring passed and graduation grew near, we reflected on the good (?) times in MATH and our interesting HISTORY classes with MR. KATULKA. In June, we drove away in our MUSTANGS and listened to the music of PAT BENATAR as we left our high school days forever.

BERNIE ZENESKI

*In Memory  
of  
Jacqueline Faye Stafford*

*September 10, 1964 — February 6, 1982*

*For none of us liveth to himself, and  
no man dieth to himself.  
For whether we live, we live unto the Lord;  
and whether we die, we die unto the Lord;  
whether we live therefore, or die, we are the Lord's.  
— Bible Romans 14:7-8*

*In perfect honor, perfect truth,  
And gentleness to all mankind,  
You trod the golden paths of youth,  
Then left the world and youth behind.  
Ah, no! 'tis we who fade and fail —  
And you, from Time's slow torments free,  
Shall pass from strength to strength and scale  
The steeps of immortality.*

*"Fratrī Dilectissimo"  
John Buchan*
